Recognising and celebrating outstanding achievement and excellence in Turkey’s Structured Finance and Capital Markets

“It is very pleasing and inspiring for the industry that The Bonds and Loans awards will recognize some key achievements in the market”

Didem Gordon, Chief Executive Officer, Ashmore Turkey
About the Awards
The Bonds & Loans Awards Turkey 2014 is the first and only ceremony recognising excellence in Turkey’s structured finance and capital markets. Bringing together the industry’s most high-profile figures, the Awards are an opportunity to raise the profile of Turkey’s financial markets with the international investment community, and to inspire future issuance by Turkish companies.

How are the winners chosen?
A public vote will determine a Shortlist of 3 deal nominations. Where an Award has a Winners Selection Committee, the committee will vote from the Shortlist. Where deals do not have a Winners Selection Committee, the delegates at Bonds, Loans & Sukuk Turkey will vote for their winner from the Shortlist.
